

University Committee on Planning, Assessment and Finance

Appointed: August 2015

Charge:

- To lead development of the University's strategic plan in years where a new plan is needed.
- To periodically review the University's strategic plan for currency and relevance.
- To review the University's Scorecard (and other data as requested by the committee chair) and consider input from the University Assessment Advisory Committee so as to make informed, evidence-based recommendations regarding the continued appropriateness of the University's Strategic Plan goals and objectives to the Board of Trustees and the University's leadership.
