NOTE: The University of South Alabama Libraries include the Biomedical Library (locations on the main campus as well as in USA Health facilities), Marx Library (general library on the main campus), Doy Leale McCall Rare Book and Manuscript Library (housed in the Marx Library), and Joseph and Rebecca Mitchell Learning Resource Center (located in the Mitchell College of Business).

*The Biomedical Library merged with the University Libraries in October 2017. Prior to that there were two separate Fact Book tables (Table 4.7 for the Marx Library and Table 4.8 for the Biomedical Library) often with different data fields. The Biomedical Library serves the curricula, research, and patient care needs of the College of Medicine, Covey College of Allied Health Professions, College of Nursing, and USA Health.

**In the past MCOB and McCall were not included in all aspects of Table 4.7 data collection. Dashes indicate the fiscal years for which they did not collect or provide data.
