The Trustee is hereby requested to authenticate and deliver the Bonds to the purchaser(s) chosen as provided in Section 12 hereof upon payment of the purchase price designated therein.

Section 4. Source of Payment of the Bonds. The principal of and the interest on the Bonds shall be payable from Pledged Revenues as described and provided for in the Indenture.

Nothing contained in this resolution, in the Bonds, in the Indenture, or in the Supplemental Indenture hereinafter authorized shall be deemed to impose any obligations on the University to pay the principal of or the interest on the Bonds except from the Pledged Revenues. Neither the Bonds, nor the pledge or any agreement contained in the Indenture, in any supplement to the Indenture or in this resolution shall be or constitute an obligation of any nature whatsoever of the State of Alabama, and neither the Bonds nor any obligation arising from the aforesaid pledge or agreements shall be payable out of any moneys appropriated to the University by the State of Alabama. The agreements, covenants or representations contained in this resolution, in the Bonds, in the Indenture, and in any supplement to the Indenture do not and shall never constitute or give rise to any personal or pecuniary liability or charge against the general credit of the University, and in the event of a breach of any such agreement, covenant or representation, no personal or pecuniary liability or charge payable directly or indirectly from the general revenues of the University shall arise therefrom. Nothing contained in this section shall, however, relieve the University from the observance and performance of the several covenants and agreements on its part herein contained.

Section 5. Bonds Payable at Par. All remittances of principal of and interest on the Bonds to the holders thereof shall be made at par without any deduction for exchange or other costs, fees or expenses. The bank or banks at which the Bonds shall at any time be payable shall be considered by acceptance of their duties hereunder to have agreed that they will make or cause to be made remittances of principal of and interest on the Bonds, out of the moneys provided for that purpose, in bankable funds at par without any deduction for exchange or other cost, fees or expenses. The University will pay to such bank or banks all reasonable charges made and expenses incurred by them in making such remittances in bankable funds at par.

Section 6. Authorization of Supplemental Indenture. The Board does hereby authorize and direct the President or the Vice President for Finance and Administration of the University to approve, execute and deliver, for and in the name and behalf of the University, to the Trustee, a supplement to the Indenture with respect to the Bonds (the "Supplemental Indenture"), and does hereby authorize and direct the Secretary of the Board to affix the official seal of the University to said Supplemental Indenture and to attest the same. The Supplemental Indenture shall be consistent with the provisions of the Original Indenture applicable to the issuance of Additional Bonds (as defined in the Original Indenture) and shall specify the terms of the Bonds.

Section 7. Sale of the Bonds. The Bonds may be sold as an underwritten public sale, or by a private placement with one or more banks or other institutional purchasers, as determined under Section 12 hereof. If the Bonds are sold to the public, the Board does hereby authorize and direct the President or the Vice President for Finance and Administration of the University to approve, execute and deliver, for and in the name and behalf of the University, a Bond Purchase Agreement with respect to the Bonds between the University and an underwriter or underwriters (the "Underwriter") approved under Section 12 of this resolution. If the Bonds are sold by private placement, the Board does hereby authorize the President or the Vice President for Finance and Administration of the University to approve, execute and deliver, for and on behalf of the University, a Placement Agreement with the purchaser(s) of the Bonds approved under Section 12 of this resolution.

Section 8. Authorization of Official Statements. If the Bonds are to be sold to the public, the Board does hereby authorize and direct the Underwriter to prepare and distribute, for and in the name and on behalf of the University, a Preliminary Official Statement and a final Official Statement with respect to the Bonds issued under this resolution. The Board does hereby further authorize and direct the President or the Vice President for Finance and Administration of the University to execute and deliver, for and on behalf of the University, such final Official Statement and does hereby declare that the Official Statement so executed by the President or the Vice President for Finance and Administration of the University shall be the Official Statement of the University with respect to the Bonds covered by such Official Statement.

Section 9. Execution and Delivery of Bonds. The Board does hereby authorize and direct the President of the University to execute the Bonds, in the name and on behalf of the University, by causing his signature or a facsimile thereof to be placed or imprinted on the Bonds, and does hereby authorize and direct the Secretary of the Board to cause a facsimile of the official seal of the University to be imprinted on the Bonds and to attest the same by causing his signature or a facsimile thereof to be placed or imprinted on the Bonds, all in the manner provided in the Indenture. The President or the Vice President for Finance and Administration of the University is hereby further authorized and directed to deliver the Bonds, subsequent to their execution as provided herein to the Trustee, and to direct the Trustee to authenticate all the Bonds and to deliver them to the Underwriter or other purchaser, upon payment to the University of the purchase price therefor in accordance with the provisions of Sections 7 and 12 hereof.

Section 10. Application of Proceeds. The entire proceeds derived by the University from the sale of the Bonds shall be paid to the Trustee under the Indenture. The Trustee is thereupon authorized and directed to apply and disburse such moneys for the purposes and in the order specified in the Supplemental Indenture.

Section 11. Redemption of Series 2008 Bonds; Authorization of Escrow Trust Agreement. The Series 2008 Bonds to be refunded by the Bonds shall be called for redemption on the first date permitted for the call and redemption of such Series 2008 Bonds subsequent to the date of issuance of the Bonds, at and for a redemption price equal to 100% of the principal amount of each Series 2008 Bond so redeemed, plus accrued interest. The President or the Vice President for Finance and Administration of the University is separately authorized to direct the Trustee to mail and/or publish notice of such redemption as required under the terms of the Indenture. Any such redemption notice mailed or published prior to the date of issuance of the Bonds shall provide that the call of the affected Series 2008 Bonds for redemption is contingent upon the issuance and sale of the Bonds.

Pursuant to Section 6.1(a) of the Indenture, the Board hereby confirms that the University is not in default under said Indenture.

The Board hereby authorizes and directs the President or the Vice President for Finance and Administration of the University to approve, execute and deliver in the name and on behalf of the University an Escrow Trust Agreement or Agreements, between the University and the Trustee, if necessary or desirable, with respect to the Series 2008 Bonds to provide for the escrow and investment of proceeds of the Bonds until the redemption date of the Series 2008 Bonds.

Section 12. Authorization to Approve Certain Matters. The Board has determined that it is in the best interest of the University to authorize the issuance of the Bonds for the purposes described in this resolution and subject to the limitations of this resolution without a further meeting or approval of the full Board. The Board does hereby authorize the President Pro Tempore and the Chairman of the Budget and Finance Committee of the Board:

(a) to determine when and if any Bonds shall be issued and to approve the schedule of issuance for the Bonds; provided that no Bonds shall be issued under the authority of this resolution after June 3, 2017;

(b) to approve the principal amount of the Bonds to be issued in each series and the designation of the Bonds as tax-exempt or taxable Bonds; provided that the aggregate principal amount of the Bonds issued to refund the Series 2008 Bonds shall not exceed the amount necessary to pay the principal and interest on the refunded Series 2008 Bonds (taking into account any original

issue premium or discount), to realize the savings available to the University in the manner chosen by the University, and to pay the costs of issuing the Bonds;

(c) to determine which of the Series 2008 Bonds are to be refunded and redeemed by the Bonds; provided that any such refunding shall result in a minimum net present value savings of at least 3%;

(d) to determine whether the Bonds are to be sold to the public or are to be privately placed with one or more banks or other financial institutions, and the terms of either form of sale;

(e) to approve the forms of Supplemental Indenture, Bond Purchase Contract (if the Bonds are sold to the public), Placement Agreement (if the Bonds are privately placed with a bank or financial institution), Preliminary Official Statement, Official Statement and Escrow Agreement to be delivered in connection with the Bonds;

(f) to approve the final form and pricing details of the Bonds, including the interest rates to be borne by such Bonds, the principal maturities thereof and any original issue discount or premium with respect to the Bonds; provided that the net interest cost of any series of Bonds shall not exceed 5%;

(g) to approve the expenses of issuing the Bonds;

(h) to approve the purchase price of the Bonds to be paid by the initial purchaser(s) thereof; provided that such purchase price shall be at least 98% of the principal amount of the Bonds (without regard to initial issue premium or discount);

(i) to select and retain a financial advisor to the University and Bond Counsel to the University, for the issuance of the Bonds; and

(j) to take such other steps and to execute and approve such other documents as may be necessary or appropriate to cause the Bonds to be issued, sold and delivered consistent with the provisions of this resolution and the Indenture.

The approval by the President Pro Tempore and the Chairman of the Budget and Finance Committee of the Board of the items listed above may be conclusively evidenced by a certificate signed by either of them and delivered at the time of issuance of the Bonds.

Section 13. Resolution Constitutes Contract. The provisions of this resolution shall constitute a contract between the University and each holder of the Bonds.

Section 14. Severability. The various provisions of this resolution are hereby declared to be severable. If any provision hereof shall be held invalid by a court of competent jurisdiction, such invalidity shall not affect any other portion of this resolution.

Section 15. General Authorization. The President of the University, the Vice President for Finance and Administration and the Secretary of the Board are hereby authorized to execute such further certifications or other documents and to take such other action as any of them may deem appropriate or necessary for the consummation of the matters covered by this resolution, to the end that the Bonds may be executed and delivered at the times and on the terms most advantageous to the University.

Chairman Furr called upon Dr. Mitchell for a report on the activities of the Division of Student Affairs, **ITEM 12**. Dr. Mitchell introduced Drs. Krista Harrell, Associate Dean of Students, and Andrea Agnew, Assistant Dean of Students – Student Services, who shared information on the American Association of University Women (AAUW) and its mission of advocacy, education, philanthropy and research; the activities of USA's AAUW chapter; and the involvement of USA junior nursing major and AAUW scholarship recipient Ms. Kinsley Knapp, who represented South Alabama at the 2016 National Conference for College Women Student Leaders in Washington, D.C.

Chairman Furr called for a report from the Development, Endowment and Investments Committee. Mr. Yance, Committee Chair, stated that, at a meeting on June 2, endowment results were presented by Messrs. Terry Albano and Norman Pitman, as was an update on the due diligence process relating to the engagement of hedge fund and private equity managers. He added that, following a thorough analysis by members of the Committee and the Administration, the consensus of the group was to hire JP Morgan, Gerber/Taylor and Commonfund as private equity managers and Weatherlow and Forester as hedge fund manager. He reported that Dr. Stokes, *Upward & Onward* Campaign Co-Chair, gave an update on campaign activities and results, including 21,595 donors identified, 28,011 gifts secured, and \$90 million raised as of May 31. He stated Dr. Busta provided information on the USA Board of Trustees Scholarship program.

Brief updates were given by Mr. Albano on the Jaguar Investment Fund, Mr. Bailey on the Strada Patient Care Center, Mr. Lynch on fall enrollment projections, and Dr. Smith on housing.

Concerning the election of Board officers, **ITEM 23**, Chairman Furr reminded the group that officers would serve three-year terms and that previous bylaws revisions mandated terms to become effective immediately upon the conclusion of the Board meetings at which elections take place. He called for remarks from Mr. Yance, Nominating Committee Chair. Mr. Yance stated the Nominating Committee, comprised of fellow Trustees Ms. Maye, Capt. Jenkins and Chairman Furr, deliberated on a slate of officers for the Board's consideration. On behalf of the Committee, he recommended Judge Simon for the position of Chair *pro tempore*, Mr. Shumock for the position of Vice Chair, and Ms. Mitchell for the position of Secretary. Chairman Furr called for other nominations. There being none, he made a motion to close the nomination process and accept the slate of officers as recommended. On motion by Dr. Stokes, seconded by Captain Jenkins, the Board voted unanimously to approve officers as proposed. Chairman Furr thanked Mr. Yance for his efforts as Nominating Committee Chair.

Chairman-elect Simon asked Mrs. Lisa Furr to join Chairman Furr and President Waldrop for the presentation of **ITEM 24** as follows. He described Chairman Furr as a great friend, an enthusiastic advocate for South Alabama and a catalyst for progress, citing specifically his strong leadership during the University's presidential search process. Following the reading of the resolution by Chairman-elect Simon, Chairman Furr shared heartfelt remarks, stating the words *Upward & On-*

ward represent deep meaning for South Alabama. He proclaimed that seeds sewn today would launch the University to new heights. He shared thoughts on his tenure as Chairman and recognized several individuals who had pivotal roles during the Presidential search and transition. He and Mrs. Furr shared in the unveiling of their portrait as Trustees and guests applauded. On motion by Mr. Shumock, seconded by Mr. Yance, the resolution was approved unanimously:

APPENDIX A

Endowment Funds Investment Policies and Guidelines

The Endowment Committee of the Board of Trustees of the University of South Alabama shall be responsible for recommending investment policies and guidelines for approval by the Board of Trustees, implementation of such policies and guidelines and selection of qualified investment professionals including Investment Consultant(s), Investment Manager(s), and Funds Custodian(s). The Endowment Committee will oversee investment activities, monitor investment performance and ensure the prudent control of the Endowment Funds of the University. The Endowment Committee will make periodic reports to the Board of Trustees.

I. Purpose of the Endowment Funds

The University of South Alabama Endowment Funds exist to provide revenue while preserving principal to fund those projects which have been endowed for specific purposes, i.e., scholarships, professorships, program enhancements, student loans, etc.

II. Purpose of the Investment Policy

This investment policy is set forth by the Board of Trustees of the University of South Alabama in order to:

1. Define and assign the responsibilities of all involved parties.
2. Establish a clear understanding of all involved parties of the investment goals and objectives of Endowment Funds assets.
3. Offer guidance and limitations to Investment Manager(s) regarding the investment of Endowment Funds assets.
4. Establish a basis of evaluating investment results.
5. Manage Endowment Funds assets according to prudent standards as established in the laws of the State of Alabama.
6. Establish the relevant investment horizon for which the Endowment Funds assets will be managed.

In general, the purpose of this policy is to outline a philosophy and attitude which will guide the investment management of the assets toward the desired results. It is intended to be sufficiently specific to be meaningful, yet flexible enough to be practical.

III. Delegation of Authority

The Board of Trustees of the University of South Alabama is responsible for directing and monitoring the investment management of the University's Endowment Funds assets. As such, the Board of Trustees is authorized to delegate certain authority to professional experts in various fields. These include, but are not limited to:

1. **Investment Management Consultant(s).** The consultant may assist the Board of Trustees in: establishing investment policy, objectives, and guidelines; selecting investment managers; reviewing such managers over time; measuring and evaluating investment performance; and other tasks as deemed appropriate.
2. **Investment Manager(s).** The investment manager has discretion to purchase or sell, in the University's name, the specific securities that will be used to meet the Endowment Funds investment objectives.
3. **Funds Custodian(s).** The custodian will physically (or through securities owned by the Fund) collect dividend and interest payments, redeem maturing securities, and effect receipt and delivery following purchases and sales. The custodian may also perform regular accounting of all assets, owned, purchased or sold as well as movement of assets into and out of the Endowment Funds accounts.

With the exception of specific limitations described in these statements, managers will be held responsible and accountable to achieve the objectives herein stated. While it is not believed that the limitations will hamper investment managers, each manager should request modifications which they deem appropriate. All expenses for such experts must be customary and reasonable, and will be borne by the Endowment Funds as deemed appropriate and necessary.

IV. Assignment of Responsibility

A. Responsibility of the Board of Trustees of the University of South Alabama

The Board of Trustees is responsible for the management of the assets of the Endowment Funds. The Board of Trustees shall discharge its duties in good faith like an ordinary prudent person in a like position would exercise under similar circumstances and in a manner the Trustees reasonably believe to be in the best interest of the University. The Board of Trustees will supervise the Endowment Committee and assigns the following authority and responsibilities to the Endowment Committee on behalf of the Board of Trustees.

B. Responsibility of the Endowment Committee

The specific authority and responsibilities of the Endowment Committee relating to the

investment management of Endowment Funds assets include:

1. Projecting the Endowment Funds financial needs, and communicating such needs to the Investment Manger(s) on a timely basis.
2. Determining the Endowment Funds risk tolerance and investment horizon, and communicating these to the appropriate parties.
3. Establishing reasonable and consistent investment objectives, policies, time frames and guidelines which will direct the investment of the Endowment Funds assets.
4. Prudently and diligently selecting qualified investment professionals, including Investment Manager(s), Investment Consultant(s), and Custodian(s).
5. Regularly evaluating the performance of the Investment Manager(s) to assure adherence to policy guidelines and monitor investment objectives progress.
6. Developing and enacting proper control procedures: For example, replacing Investment Manager(s) due to fundamental changes in the investment management process, or failure to comply with established guidelines.
7. Making direct investments in cases in which selection of an investment manager is not appropriate.
8. Recommending an endowment spending policy to the Board of Trustees for approval.
9. Reporting periodically to the Board of Trustees Endowment Committee actions and recommendations and investment performance of the Endowment Funds.

C. Responsibility of the Investment Manager(s)

The Endowment Funds will be managed primarily by external investment advisory organizations; both commingled vehicles and separate accounts may be used. The investment manager(s) have discretion, within the guidelines set forth in this policy statement and any additional guidelines provided them, to manage the assets in each portfolio to achieve the investment objectives. Managers will normally manage only one type of investment in each fund. For example, equities and fixed income will not be combined in a balanced fund with one manager.

Each Investment Manager must acknowledge, in writing, their acceptance of responsibility as a fiduciary. Each Investment Manager will have full discretion to make all investment decisions for the assets placed under their jurisdiction, while observing and operating within all policies, guidelines, constraints, and philosophies as outlined in this statement. Each Investment Manager will be provided with a copy of this statement of investment objectives and policies. In turn, as part of the investment management contract that will govern their portfolio, the Investment

Manager is expected to provide a written statement of the firm's expectations, stated in terms of the objectives and comparative benchmarks that will be used to evaluate performance and the allowable securities that can be used to achieve these objectives. These statements will be consistent with the statement of investment objectives and policies and will be incorporated as appendices. Specific responsibilities of the Investment Manager(s) include:

1. Discretionary investment management including decisions to buy or sell individual securities, and to alter asset allocation with the annual guidelines established by the Endowment Committee.
2. Reporting, on a timely basis, quarterly investment performance results.
3. Providing monthly valuation of the investment portfolio based on the previous month's closing prices.
4. Communicating any major changes in economic outlook, investment strategy, or any other factors which affect implementation of investment process, or the investment objectives progress of the Endowment Funds investment management.
5. Informing the Endowment Committee regarding any qualitative change in the investment management organization. Examples include changes in portfolio management personnel, ownership structure, investment philosophy, etc.
6. Providing the Endowment Committee with proof of liability and fiduciary insurance coverage.
7. Acknowledging in writing an ability and agreement to invest within the guidelines set forth in the investment policy.
8. Meeting with the Endowment Committee at least annually.
9. Voting proxies on behalf of the Endowment Funds and communicating such voting records on a timely basis. In cases in which the University desires to vote proxies related to specific topics, it will so notify Manager(s).
10. The Board of Trustees may from time to time request that the Investment Manager(s) allocate commissions to those brokerage firms providing other investment management services to the University. Good execution and commission prices are primary considerations in routing business to the said brokerage firms. If at any time any Investment Manager believes that any policy guideline inhibits investment performance, it is their responsibility to communicate this to the Endowment Committee.

V. General Investment Principles

1. Investments shall be made solely in the interest of the purposes of the University of South Alabama.

2. The Endowment Funds shall be invested with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person in a like position would exercise under similar circumstances in a manner the Board of Trustees reasonably believe to be in the best interest of the University.
3. Investment of the Endowment Funds shall be so diversified as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so.
4. The Board of Trustees may employ one or more investment managers of varying styles and philosophies to attain the Endowment Funds objectives.
5. Cash is to be employed productively at all times, by investment in short term cash equivalents to provide safety, liquidity, and return.

VI. Investment Objectives

In order to meet its needs, the investment strategy of the University of South Alabama Endowment Funds is to emphasize total return; that is, the aggregate return from capital appreciation and dividend and interest income. The total Endowment Funds shall be monitored for return relative to objectives, consistency of investment philosophy, and investment risk. The Endowment Funds results shall be evaluated on a rolling five-year basis against a market benchmark weighted 40 percent in favor of the S&P 500 Index, 5% Russell 2000 Index, 12% MSCI EAFE (US Dollar) Index, 23 percent toward the Barclay's Capital US Aggregate Bond Index and 20 percent Treasury-bill rate plus 3 percent.

VII. Portfolio Composition and Risk

- A. To achieve its investment objective, the Endowment Funds assets are considered as divided into three parts a fixed income component, a fixed income alternative component, an equity component and a private equity component. The Endowment Funds long-term commitment to these funds shall be as follows:

	<u>Range</u>	<u>Long-term neutral</u>
Fixed Income	15-35%	25%
Equity	35-75%	50%
<i>Private Equity</i>	<i>0-10%</i>	<i>5%</i>
Fixed Income Alternative	10-30%	20%
Cash	0-5%	0%

The purpose of dividing the Endowment Funds in this manner is to ensure that the overall asset allocation among major asset classes remains under the regular scrutiny of the Endowment Committee and is not allowed to become the residual of separate manager decisions. Over the long run, the allocation among the major asset classes may be the single most important determinant of the endowment funds investment performance.

- B. The purpose of the fixed income fund is to provide a hedge against deflation, to reduce the overall volatility of returns of the Endowment Funds, in order to produce current income in support of spending needs.
- C. The percentage of total Endowment Funds assets allocated to the fixed-income fund at any time should be sufficient to provide that neither the current income nor the capital value or the total Endowment Funds declines by an intolerable amount during an extended period of deflation. The fixed-income fund should normally represent approximately 15-35 percent of total Endowment Funds assets at market value. Although the actual percentage will fluctuate with market conditions, levels outside this range should be closely monitored by the Endowment Committee.
- D. The purpose of the equity fund is to provide appreciation of principal that more than offsets inflation and to provide a growing stream of current income. It is recognized that the pursuit of this objective could entail the assumption of greater market variability and risk than investment in fixed-income securities. Equity and equity-substitute investments are broadly defined as common stocks, high-yield bonds, reorganization securities, private equity, venture capital, leveraged buyout investments, equity real estate, reorganization securities, exchange traded index funds, etc. Investments made in such less liquid equity investments should be made through funds offered by professional investment managers.
- E. The purpose of the fixed income alternative component is to provide the Endowment a source of returns with low correlation to equity markets and volatility of one third to one half that of the U.S. equity market, while still achieving equity-like returns of Treasury Bills plus 2-8% over time. The Fixed Income Alternative should normally represent approximately 10-30 percent of total Endowment Funds.
- F. Any assets not committed to the fixed-income fund or fixed income alternative shall be allocated to the equity fund and the private equity fund. The equity fund should normally represent approximately 35-75 percent of total Endowment Funds assets at market value. The private equity fund should normally represent approximately 0-10 percent of total Endowment Fund assets at market value. Although the actual percentage of equities will vary with market conditions, levels outside these ranges should be closely monitored by the Investment Committee.
- G. The Endowment includes investments in several categories, and the Endowment Committee targets allocations for the following:

	Long-Term Strategic	
Asset Class	Target (%) of Endowed Funds	Range
<i>DOMESTIC EQUITY</i>	42%	30-60%
Large/Mid-Cap	35%	25-55%
Small Cap	5%	3-8%
High Yield Debt	2%	0-5%
<i>INTERNATIONAL STOCKS</i>	10%	5-15%
Developed Markets	6%	3-10%
Emerging Markets	4%	0-6%
<u><i>PRIVATE EQUITY</i></u>	<u>5%</u>	<u>0-10%</u>
<i>TOTAL EQUITY COMPONENT</i>	57%	35-75%
<i>ALTERNATIVE INVESTMENTS</i>	20%	10-30%
Absolute Return	15%	12-20%
Long/Short Equity	5%	0-10%
<i>TOTAL ALTERNATIVE COMPONENT</i>	20%	10-30%
<i>Fixed Income Component</i>	23%	15-35%
U.S. Core Bonds	16%	12-20%
Global Bonds	4%	0-7%
TIPS	2%	0-5%
Emerging Markets Debt	1%	0-2%
<i>TOTAL FIXED INCOME COMPONENT</i>	23%	15-35%
<i>CASH AND EQUIVALENTS</i>	0%	0-5%

- H. Within the equity fund, certain investments can be included, with Endowment Committee approval, to provide a hedge against unanticipated, rapidly accelerating inflation. These include cash, real estate and oil and gas investments. While the Endowment Committee recognizes the argument for having a separate allocation to inflation-hedging assets, at this time, these investments are evaluated primarily as equity-substitutes. The Endowment Committee will periodically review the adoption of an inflation-hedging fund allocation separate from the equity allocation.
- I. Within the equity fund, in addition to cash reserves held by managers, there is normally an investment in cash or short-term instruments. Although the Endowment Committee has not adopted a cash allocation, new gifts to the endowment and endowment income in excess of budgetary distributions generate cash inflow to the Endowment Fund. The level of cash should be closely monitored by the committee.

- J. The Endowment committee may change any of the above ratios; however, it is anticipated that these changes will be infrequent.
- K. The Endowment Funds investments shall be diversified both by asset class (e.g., equities and fixed-income securities) and within asset classes (e.g., within equities by economic sector, geographic area, industry, quality, and size). The purpose of diversification is to provide reasonable assurance that no single security or class of securities shall have a disproportionate impact on the endowment funds aggregate results. Equity securities in any single industry will not exceed 20 percent, nor will equity securities in any single company exceed 10 percent of the market value of the endowment's allocation to equities.

VIII. Spending Policy

It shall be the policy of the University of South Alabama Board of Trustees to preserve and maintain the real purchasing power of the principal of the Endowment Funds. The current spending policy of the University will be determined annually by the President and the Endowment Committee and approved by the Board of Trustees. The spending guideline is based on an expected total return over the long-term less expected inflation.

IX. Volatility of Returns

The Board of Trustees understands that in order to achieve its objectives for Endowment Funds assets, the Funds will experience volatility of returns and fluctuations of market value. The Board will tolerate volatility as measured against the risk/return analysis of the appropriate market indices. The indices used as a measure of an investment manager's performance will be used to measure the allowable volatility (risk).

X. Liquidity

To minimize the possibility of a loss occasioned by the sale of a security forced by the need to meet a required payment, the Vice President for Financial Affairs will periodically provide Investment Manager(s) with an estimate of expected net cash flow. The Vice President will notify the Investment Consultant in a timely manner, to allow sufficient time to build up necessary liquid reserves. Because of the infrequency of cash outflows and overall marketability of Endowment Funds assets, the Board of Trustees does not require the maintenance of a dedicated cash or cash equivalent reserve.

XI. Marketability of Assets

The Board of Trustees requires that all Endowment Funds allocated to cash equivalents, fixed income securities or equity securities be invested in liquid securities, defined as securities that can be transacted quickly and efficiently for the Endowment Funds, with minimal impact on market price. The Board of Trustees recognizes that opportunities may exist in illiquid assets and will allow Investment Managers overseeing Private Equity or Fixed Income Alternatives to invest in securities that may be less liquid and could present a risk of illiquidity.

Also, derivative securities may be used by the Investment Manager in order to hedge certain risks to the portfolio. The approval and use of derivative securities will not be allowed unless the Endowment Committee is confident that the Investment Manager(s) thoroughly understands the risks being taken, has demonstrated expertise in their usage of such securities, and has guidelines in place for the use and monitoring of derivatives.

Such investments may be made only through professionally managed, income producing commercial and residential property. Such investments may not exceed 10% of the total endowment fund. The Board of Trustees intends to evaluate the portfolio(s) over at least a three-year period, but reserves the right to terminate a manager for any reason including the following:

All modifications, consents, amendments or waivers of any provision of this Agreement or of any document relating hereto, or consent to any departure therefrom, shall be effective only if the same are in writing signed by the party against whom enforcement of such modification, consent, amendment, or waiver is sought and then will be effective only in the specific instance and for the purpose for which given. No notice or demand given in any case will constitute a waiver of the right to take other action in the same, similar or other instances without such notice or demand.

19. **Notices.** Any notices or other communications required or permitted to be given by this Agreement or any other documents and instruments referred to herein must be

(a) given in writing and personally delivered or mailed by prepaid United States mail, or

(b) made by courier, overnight delivery service or telecopier or telex delivered or transmitted, to the party to whom such notice of communication is directed as follows: to Borrower at 307 University Blvd., AD 170, Mobile, Alabama 36688 or to Lender at 701 South 32nd Street, Birmingham, Alabama 35233, Attn. Payment Center. Any such notice or other communication shall be deemed to have been given on the day it is received. Any party may change its address for purposes of this Agreement by giving notice of such change to the other parties pursuant to this paragraph.

20. **Applicable Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Alabama, and if any provision of this Agreement or of any document relating hereto is held to be illegal, invalid or unenforceable under present or future laws during the term of this Agreement, such provisions shall be fully severable and the remaining provisions of such document shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from such document.

21. **Relationship Between Borrower and Lender.** The relationship between Borrower and Lender is, and shall at all times remain, solely that of borrower and lender, and Lender neither undertakes nor assumes any responsibility or duty to Borrower to review, inspect, supervise, pass judgment upon, or inform Borrower of any matter in connection with any phase of the businesses, operations, or condition, either financial or otherwise, of Borrower. There is not and shall not be deemed to be a fiduciary relationship between Lender and Borrower and nothing contained in this Agreement or in any document relating hereto shall be deemed to create a partnership or joint venture between Lender and Borrower. Borrower will rely entirely upon their own judgment with respect to such matters, and any review, inspection, supervision, exercise of judgment, or information supplied to Borrower by Lender in connection with any such matter is for the protection of Lender, and neither Borrower nor any third party is entitled to rely thereon.

22. **Entire Agreement.** This Agreement and the documents referred to herein embody the entire agreement between the parties and supersede all prior or contemporaneous agreements and understandings, if any, relating to the subject matter hereof and thereof.

23. **Survival of Representations.** All representations made by Borrower in this Agreement or any document relating hereto shall survive the execution and delivery thereof and the making of the loan described herein.

24. **No Third Party Beneficiaries.** The parties do not intend the benefits of this Agreement to inure to the benefit of any third party nor shall this Agreement be construed to make or render Lender liable to any materialman, supplier, contractor, subcontractor, purchaser or lessee of any property owned by Borrower or for debts or claims accruing to any such persons against Borrower. Notwithstanding anything contained herein or in any document relating hereto, neither any such document nor any conduct or course of conduct by any or all of the parties hereto, before or after signing, shall be construed as creating any right, claim or cause of action against Lender, or any of its officers, directors, agents or employees, in favor of any materialman, supplier, contractor, subcontractor, purchaser or lessee of any property owned by Borrower or in favor of any other person or entity.

LENDER LETTER

June ____, 2016

University of South Alabama
Mobile, Alabama

Compass Mortgage Corporation, a corporation under the laws of the State of _____ (the "Bank"), has agreed to make a non-revolving line of credit of up to \$30,000,000 to the University of South Alabama (the "University"), and in connection therewith to acquire the University's Promissory Note in a maximum principal amount of \$30,000,000 (the "Note"). The Note is an unsecured obligation of the University. In connection with the said line of credit and the Note, the Bank hereby certifies to, and agrees with, the University as follows:

- (a) On the date hereof the Bank has received physical possession of the Note.
- (b) The Bank has sufficient knowledge and experience in financial and business matters, including the acquisition and ownership of governmental obligations similar to the Note, to be able to evaluate the merits and risks of making the said line of credit available to the University as evidenced by the Note.
- (c) The Bank is an "accredited investor" as defined in Rule 501 of Regulation D under the Securities Act of 1933, as amended (the "Securities Act"), or a "qualified institutional buyer" under Rule 144A of the Securities Act, and is able to bear the economic risks of the Note.
- (d) The Bank understands that no official statement, prospectus, offering circular or other comparable disclosure document is being provided with respect to the Note. The Bank has made its own inquiry and analysis with respect to the Note and material factors affecting the payment of the Note.
- (e) The Bank understands that the Note is unsecured and is not registered under federal or state securities laws, is not listed on any stock or other securities exchange, and carries no rating from any rating agency.
- (f) The Bank is providing the said line of credit and acquiring the Note in the ordinary course of its lending business for its own loan portfolio with no present view toward resale or distribution to any entity other than an affiliate of the Bank. The Bank reserves the right to sell, transfer or dispose of the Note or interests therein in accordance with its own judgment and in compliance with all applicable federal and state securities laws then in effect. Any person to whom the Bank sells, transfers or disposes of the Note or an interest therein will also be an "accredited investor" as defined in Rule 501 of Regulation D under the Securities Act or a "qualified institutional buyer" as defined under Rule 144A of the Securities Act.

EXHIBIT II
FORM OF PROMISSORY NOTE

Bank Affiliates own or control in the aggregate more than five percent (5%) of any class of voting securities or of the equity capital of the fund (it being understood that the ownership of fifteen percent (15%) or more of the ownership interest in an entity shall be deemed control of the entity, and that each general partner shall have control over the partnership). This does not apply to deposits made into any bank accounts for the benefit of the Borrower.

To the extent the proceeds of this loan will be used to purchase securities (regardless of whether such purchase is conducted through BBVA Securities Inc. or through another broker-dealer): (1) no securities of a Bank Affiliate (including those underwritten by a Bank Affiliate) shall be purchased during an issuance or underwriting period, or in a way that would transfer loan proceeds to a Bank Affiliate; (2) no securities shall be purchased where a Bank Affiliate is selling them as principal (even in the open market); and (3) Borrower agrees to promptly notify Lender of any violation of this provision.

Failure to comply with the foregoing Transactions with Affiliates requirements at any time during the term of this Agreement, including renewals and extensions thereof, shall be deemed an Event of Default and subject to the default provisions and remedies available to Lender.

PREPAYMENT. Borrower may pay without penalty all or a portion of the amount owed earlier than it is due. Early payments will not, unless agreed to by Lender in writing, relieve Borrower of Borrower's obligation to continue to make payments of accrued unpaid interest. Rather, early payments will reduce the principal balance due. Borrower agrees not to send Lender payments marked "paid in full", "without recourse", or similar language. If Borrower sends such a payment, Lender may accept it without losing any of Lender's rights under this Note, and Borrower will remain obligated to pay any further amount owed to Lender. All written communications concerning disputed amounts, including any check or other payment instrument that indicates that the payment constitutes "payment in full" of the amount owed or that is tendered with other conditions or limitations or as full satisfaction of a disputed amount must be mailed or delivered to: Compass Mortgage Corporation, Alabama Processing Center, 701 South 32nd Street, Birmingham, AL 35233.

LATE CHARGE. If a payment is 10 days or more late, Borrower will be charged 5.000% of the regularly scheduled payment.

LENDER'S RIGHTS. Upon the occurrence of an Event of Default, Lender may declare the entire unpaid principal balance under this Note and all accrued unpaid interest immediately due, without notice, and then Borrower will pay that amount.

GOVERNING LAW. This Note will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Alabama without regard to its conflicts of law provisions. This Note has been accepted by Lender in the State of Alabama.

COLLATERAL. This loan is unsecured.

LINE OF CREDIT. This Note evidences a non-revolving line of credit. Advances under this Note, as well as directions for payment from Borrower's accounts, may be requested orally or in writing by Borrower or by an Authorized Borrower Representative. Lender may, but need not, require that all oral requests be confirmed in writing. Borrower agrees to be liable for all sums either: (a) advanced in accordance with the instructions of an Authorized Borrower Representative, or (b) credited to the Borrower's Depository Account. The aggregate unpaid amount reflected by the Lender's notations on its internal records (whether on computer or otherwise) shall be deemed rebuttably presumptive evidence of the principal amount remaining outstanding and unpaid on this Note. No failure of the Lender so to record any Advance or payment shall limit or otherwise affect the obligation of the Borrower hereunder with respect to any Advance, and no payment of principal by the Borrower shall be affected by the failure of the Lender so to record the same.

DRAW-DOWN PROVISIONS. This Note is issued as a "draw-down loan" as described in § 1.150-1(c)(4) of the Regulations promulgated under the Code. On each date during the period commencing on the date of this Note and ending on the Maturity Date (the "Draw-Down Period") on which the Lender makes any advance under the non-revolving line of credit evidenced by this Note in accordance with Section 1 of the Loan Agreement, the aggregate dollar amount of such advance on that date shall constitute an "Advance" under the Loan Agreement. Each Advance will increase the outstanding principal amount of this Note. Notwithstanding any other provision in the Loan Agreement or this Note, the outstanding principal amount of this Note may not exceed \$30,000,000, and (2) no additional Advances may be made after the expiration of the Draw-Down Period.

AMENDMENTS. This Note constitutes the entire understanding and agreements of the parties as to the matters set forth in this Note. No alteration or amendment of this Note shall be effective unless given in writing and signed by the party or parties sought to be bound by the alteration or amendment.

SEVERABILITY. If a court of competent jurisdiction finds any provision of this Note to be illegal, invalid, or unenforceable as to any circumstance, that finding shall not make the offending provision illegal, invalid, or unenforceable as to any other circumstance. If feasible, the offending provision shall be considered modified so that it becomes legal, valid and enforceable. If the offending provision cannot be so modified, it shall be considered deleted from this Note. Unless otherwise required by law, the illegality, invalidity, or enforceability of any provision of this Note shall not affect the legality, validity or enforceability of any other provision of this Note.

ADDITIONAL PROVISIONS. Notwithstanding any other provisions of this Note to the contrary: (a) Lender's Remedies. Lender also may exercise any and all remedies available to it. Lender's rights are cumulative and may be exercised together, separately, and in any order; (b) No Assignment. Borrower agrees not to assign any of Borrower's rights or obligations under this Note; (c) Prepayments. The terms "prepayment" and "early payment" mean any payment that exceeds the combined amount of interest, principal due, and charges due as of the date Lender receives that payment. The amount of this excess will be applied to the outstanding principal balance; (d) Final Payment. Borrower agrees that, if Borrower owes any late charges, collection costs or other amounts under this Note or any related documents, Borrower's final payment under this Note will include all of these amounts, as well as all unpaid principal and accrued interest; (e) Loan Fees. Borrower agrees that all loan fees and other prepaid finance charges are fully earned as of the date of the loan and will not be subject to refund upon early payment (whether voluntary or as a result of an Event of Default).

JURISDICTION. Any legal action or proceeding brought by Lender or Borrower against the other arising out of or relating to the loan evidenced by this instrument (a "Proceeding") shall be instituted in the federal court for or the state court sitting in the county where Lender's office that made this Loan is located, unless for proceedings before the State Board of Adjustments, in which case shall proceed in Montgomery, Alabama.

BUSINESS PURPOSE. The Borrower agrees to use the proceeds of this Note solely for business purposes and not any personal, family or household purpose.

CHANGE IN INITIAL INTEREST RATE. If this Note evidences an extension of credit with a variable rate and an initial interest rate is stated, the initial rate stated on this Note when it is signed may differ from the actual rate due to changes in the Index before closing.

CONSTRUCTION OF DOCUMENTS. In the event of any conflict within the provisions of this Note and the Loan Agreement the provisions of this Note shall control. . The parties hereto agree and acknowledge that no rule of construction permitting or requiring any claimed ambiguities to be resolved against the drafting party shall be employed in the interpretation of this Note or any of the other documents referred to or executed in connection with this Note.

TO GRANT FURTHER ASSURANCES. The Borrower will, upon reasonable request, execute and deliver such further instruments and do such further acts as may be necessary or proper to carry out more effectually the purpose of this Note or the Loan Agreement, and in particular (without in any way limiting the generality of the foregoing) to transfer to any successor holder all rights and benefits of the Lender under this Note or the Loan Agreement. No failure to request such further instruments or further acts shall be deemed, a waiver of any right to the execution and delivery of such instruments or the doing of such acts or be deemed to affect the interpretation of any provision of this Note or the Loan Agreement.

SUCCESSOR INTERESTS. The terms of this Note shall be binding upon Borrower, and upon Borrower's successors and assigns, and shall inure to the benefit of Lender and its successors and assigns.

GENERAL PROVISIONS. If any part of this Note cannot be enforced, this fact will not affect the rest of this Note. Lender may delay or forgo enforcing any of its rights or remedies under this Note without losing them. Borrower and any other person who signs, guarantees or endorses this Note, to the extent allowed by law, waive presentment, demand for payment, and notice of dishonor. Upon any change in the terms of this Note, and unless otherwise expressly stated in writing, no party who signs this Note, whether as maker, guarantor, accommodation maker or endorser, shall be released from liability. All such parties agree that Lender may renew or extend (repeatedly and for any length of time) this loan or release any party or guarantor, and take any other action deemed necessary by Lender without the consent of or notice to anyone.

PRIOR TO SIGNING THIS NOTE, BORROWER READ AND UNDERSTOOD ALL THE PROVISIONS OF THIS NOTE, INCLUDING THE VARIABLE INTEREST RATE PROVISIONS. BORROWER AGREES TO THE TERMS OF THE NOTE.

BORROWER ACKNOWLEDGES RECEIPT OF A COMPLETED COPY OF THIS NOTE.

THIS NOTE IS GIVEN UNDER SEAL AND IT IS INTENDED THAT THIS NOTE IS AND SHALL CONSTITUTE AND HAVE THE EFFECT OF A SEALED INSTRUMENT ACCORDING TO LAW.

**UNIVERSITY OF SOUTH ALABAMA
BOARD OF TRUSTEES**

ACADEMIC AND STUDENT AFFAIRS COMMITTEE

**June 2, 2016
1:30 p.m.**

A meeting of the Academic and Student Affairs Committee of the University of South Alabama Board of Trustees was duly convened by Ms. Bettye Maye, Chair, on Thursday, June 2, 2016, at 1:32 p.m. in the Board Room of the Frederick P. Whiddon Administration Building.

Members Present: Chandra Brown Stewart, Ron Jenkins, Bettye Maye, Bryant Mixon and Mike Windom.

Member Absent: Scott Charlton.

Other Trustees: Steve Furr, John Peek, Jimmy Shumock, Ken Simon and Jim Yance.

Administration and Others: Joe Busta, Lynne Chronister, Angela Coleman, Josh Crownover, Joel Erdmann, Monica Ezell, Mike Finan, Happy Fulford, Bob Hanks, Mike Haskins, David Johnson, Beverly Kellen, Mike Mitchell, John Smith, Sam Strada, Jean Tucker, Tony Waldrop and Scott Weldon.

Press: Alyssa Newton (*Vanguard* and WPMI).

The meeting came to order and the attendance roll was called. Ms. Maye called for adoption of the revised agenda. On motion by Mr. Windom, seconded by Captain Jenkins, the revised agenda was adopted unanimously.

Ms. Maye called upon Provost Johnson for presentation of **ITEM 7**, a resolution to approve the granting of tenure and/or promotion to faculty as set forth (for copies of resolutions, policies and other authorized documents, refer to the minutes of the Board of Trustees meeting held on June 3, 2016). Provost Johnson briefly addressed the vetting process. On motion by Mr. Windom, seconded by Captain Jenkins, the Committee voted unanimously to recommend approval by the Board of Trustees. Judge Simon asked if younger faculty are earning tenure and promotion. Provost Johnson stated most are successful in meeting the high standards necessary to achieve tenure and promotion. He added the University attempts to provide substantial support, and cited as an example USA's faculty mentoring program implemented in the last couple of years.

Ms. Maye asked Provost Johnson to discuss **ITEM 8**, a resolution expressing the Board's appreciation to Dr. Keith Harrison for his many contributions to the University and extending best wishes upon his retirement. Provost Johnson said Dr. Harrison retired effective May 31 and talked about his roles at the University, including 11 years as Dean of the Graduate School. He stated Dr. Harrison and his wife, Leora, had pledged significant monetary contributions for an endowed chemical engineering

scholarship as well. On motion by Mr. Windom, seconded by Ms. Brown Stewart, the Committee voted unanimously to recommend approval by the Board of Trustees.

Provost Johnson presented **ITEM 10**, a resolution authorizing the rates for tuition and fees, housing and meal plans for the 2016-2017 academic year. He asserted the Administration's belief that the recommended three-percent increase in tuition and fees would generate the minimum revenue required to maintain program quality and meet the needs of students. He said this rate is consistent with what peer institutions in Alabama had adopted or are proposing and, with passage, USA's rates will still be among the lowest offered in the state. He explained the recommendation pertaining to the differential tuition for the College of Nursing, which calls for an additional \$10 (in-state) or \$20 (out-of-state) per credit hour to make possible the hiring of additional full-time nursing faculty for improved student/teacher ratios. Mr. Peek inquired about budget components that have high operational costs that are beyond the University's ability to control, such as utilities. Mr. Weldon stated the key concern for the 2016-2017 fiscal year is a \$3-million increase in debt service, which he said would level out the following year. He added USA does a good job to limit spending when possible. Mr. Peek asked what financial challenges the University can expect over the next few years. Mr. Weldon said the Administration would closely monitor health care costs, as well as employer contributions for retiree health coverage and for employee retirement. President Waldrop noted enrollment increases and decreases can impact the budget, adding that, with growth, more faculty are needed to keep up with demand.

Mr. Peek asked if feedback on the proposal increase was available from the students' perspective. President Waldrop called for remarks by Mr. Josh Crownover, Student Government Association (SGA) President. Mr. Crownover stated the students understand that the cost of attending South Alabama is less expensive than at competing institutions in the state and region, and is relatively low given the quality education received. He said, while the students do not embrace paying higher rates, they recognize the reasons for an increase.

Judge Simon reminded the group that the University has had to deal with significant reductions in state appropriation and Mr. Fulford acknowledged that appropriation cuts followed the 2008 fiscal year. President Waldrop stated the accumulated loss in state funding over the years totals \$326.8 million. He said, with tuition revenue increases totaling \$75.5 million over the same period, USA's overall funding deficit stands at \$251.3 million. He said this demonstrates the extent of cost-cutting that has taken place. Mr. Peek encouraged student participation in the annual *Higher Education Day* activities in Montgomery. Mr. Crownover talked about the SGA's efforts to recruit students to attend the rally. Provost Johnson said, of all the schools represented, USA's contingent is consistently the largest. Mr. Windom shared positive words about the event and expressed confidence that the local legislative delegation is appreciative of South's involvement.

Provost Johnson called on Dr. Smith to address housing and meal plan rates. Dr. Smith reiterated the Administration does everything possible to minimize rate increases. He said the housing and food services are auxiliary operations and revenues collected are allocated back to these programs. He

advised that, over the summer term, just over \$2 million would be spent on improvements throughout the housing system and to dining facilities, with funding made possible from rent proceeds, cash reserves and the operating budget. He stated major renovations would take place at the Beta and Gamma complexes and roofs would be replaced at Delta. He added that, among the food service enhancements that are being employed, a new food venue would be installed at the Mitchell College of Business. He referenced comparative data showing USA's housing and meal plan rates are much lower than at other institutions, noting the Administration must be cognizant of the local market and what other schools offer. He stated the recommendation calls for a 2.5 percent average increase in housing rates and a 2.1 percent average increase in meal plan rates. Mr. Windom asked why Auburn's meal plan rates are significantly less than USA's rates. Dr. Smith stated Auburn uses an *a la carte* approach, which is more costly to students whose account balances decline and must be refilled, while USA offers a bona fide meal plan with several purchase options, some including unlimited meals. On motion by Captain Jenkins, seconded by Mr. Windom, the Committee voted unanimously to recommend Board approval of the tuition, housing and meal plan rates as presented.

As to a report on the activities of the Division of Academic Affairs, **ITEM 11**, Ms. Maye called for comments by Provost Johnson. Provost Johnson recalled the December 2015 approval of an updated Strategic Plan that is organized around the University's five institutional priorities. He advised that groups of faculty and administrators have since worked to develop Scorecard metrics for measuring progress over the next five years as the Strategic Plan tracks forward. He introduced Dr. Angela Coleman, Associate Vice President for Institutional Effectiveness, who gave an overview of the process whereby the Scorecard, a collection of 23 performance indicators paralleling the five priorities, was developed and she explained how interpreting the data would guide the work of the University through 2021. She said updates would be presented to the Committee on an annual basis and added that the University Committee on Planning, Assessment and Finance and the University Assessment Advisory Committee would also have opportunities to review Scorecard results and make recommendations for the University's consideration. She mentioned that an unintended benefit of the process was constructive dialogue on discerning success. Addressing the areas of student success, extramural awards and international student diversity, she explained how the relative indicators could drive discussion on improvement strategies. President Waldrop complimented Dr. Coleman for spearheading this team effort.

Ms. Maye called for a report on the activities of the Division of Student Affairs, **ITEM 12**. With reference to national news headlines, Dr. Mitchell stressed the importance of mental health on college campuses and introduced Dr. Bob Hanks, Director of USA's Department of Counseling and Testing Services (CTS), and Ms. Beverly Kellen, Student Health Center Practice Director, to discuss a new USA partnership. Dr. Hanks thanked Dr. Mitchell for his support of a new psychiatric clinic that opened in the 2015 fall semester. Demonstrating the need for the clinic, he shared that the numbers of USA students who visit the CTS for counseling have increased in recent years and estimated that as many as 25 percent had already been prescribed psychotropic medications prior to or throughout the course of CTS counseling. He stated, in a national survey of approximately 500

college and university counseling center directors, 62 percent report providing psychiatric services. He discussed program benefits, including prompt referral turnaround, improved communications with psychiatric treatment providers and reduced out-of-pocket costs. He added the service may help the University with retention goals. Ms. Kellen conveyed pride in the Student Health Center (SHC), through which the student psychiatric clinic is administered. She stated both the SHC and the new clinic are accredited through the Accreditation Association for Ambulatory Health Care, Inc. (AAAH), and she gave an overview of clinical operations, noting four senior-level psychiatry residents see patients on Wednesdays from 8:00 a.m. to noon. Among other statistics, she reported 106 students served from August 2015 to May 2016 for a total of 320 patient visits. She said the top diagnoses were anxiety disorder, major depressive disorder, attention deficit hyperactivity disorder, social anxiety disorder and post-traumatic stress syndrome and added, due to the high response, expansion of services is being considered. Questions concerning fees, insurance, training and intervention strategies were addressed.

Ms. Maye called for consideration of the minutes of the meeting held on March 3, 2016. On motion by Mr. Windom, seconded by Captain Jenkins, the minutes were adopted unanimously.

HEALTH AFFAIRS COMMITTEE

**June 2, 2016
2:47 p.m.**

A meeting of the Health Affairs Committee of the University of South Alabama Board of Trustees was duly convened by Dr. Steve Stokes, Chair, on Thursday, June 2, 2016, at 2:47 p.m. in the Board Room of the Frederick P. Whiddon Administration Building.

Members Present: Chandra Brown Stewart, Bettye Maye, Ken Simon and Steve Stokes.

Members Absent: Scott Charlton and Arlene Mitchell.

Other Trustees: Steve Furr, Ron Jenkins, Bryant Mixon, John Peek, Jimmy Shumock, Mike Windom and Jim Yance.

Administration and Others: Owen Bailey, Joe Busta, Lynne Chronister, Joel Erdmann, Monica Ezell, Mike Finan, Happy Fulford, Mike Haskins, David Johnson, Mike Mitchell, Danny Rickert, John Smith, Sam Strada, Becky Tate, Jean Tucker, Tony Waldrop and Scott Weldon.

Press: Alyssa Newton (*Vanguard* and WPMI).

The meeting came to order and attendance roll was called. Dr. Stokes called for adoption of the minutes of the meeting held on March 3, 2016. On motion by Ms. Maye, seconded by Ms. Brown Stewart, the Committee voted unanimously to adopt the minutes.

Dr. Stokes called for consideration of **ITEM 4**, a resolution authorizing the USA Hospitals medical staff appointments and reappointments for February, March and April 2016 (for copies of resolutions, policies and other authorized documents, refer to the minutes of the Board of Trustees meeting held on June 3, 2016). On motion by Ms. Maye, seconded by Ms. Brown Stewart, the Committee voted unanimously to recommend approval by the Board of Trustees.

Dr. Stokes moved for the approval of **ITEM 5**, a resolution to approve revisions to the USA Hospitals Medical Staff Bylaws and Rules and Regulations. Judge Simon seconded and the Committee voted unanimously to recommend approval by the Board of Trustees.

Dr. Stokes called on Mr. Bailey to address **ITEM 6**, a report on the activities of USA Health and the College of Medicine. Mr. Bailey started his report by thanking Ms. Tate and Mr. Rickert for their efforts in creating the Gulf Coast Regional Care Organization (RCO). He advised that Medicaid remains \$85 million short of the \$785 million needed for level funding of a statewide RCO network.

He said the regular legislative session ended without movement on bridging this gap, despite hope that BP settlement money might be allocated. He said it is unknown if a special session would take place and stated there is speculation the Governor may have funds that could be applied to the deficit. He said, as the funding gap narrows, determining when Medicaid can move forward is a point of debate. He said legislation had passed to delay RCO implementation into 2017, which will allow the RCO team additional time to prepare. He said, because CMS (Centers for Medicare and Medicaid Services) is supportive of Alabama's managed care approach to Medicaid, it is willing to wait with the implementation delay, an indication the CMS 1115 waiver, a provision allowing states to apply for program flexibility to test new or existing approaches to financing and delivering Medicaid, should not be jeopardized. He said the team continues its work and recently took part in a readiness assessment conducted by Medicaid and its consultant with positive results. He added that the Alabama provider network has received good national press about its novel approach, citing an article in *USA Today*. He said the RCO initiative consists of a number of partners in the community working diligently with USA.

DEVELOPMENT, ENDOWMENT AND INVESTMENTS COMMITTEE

**June 2, 2016
2:15 p.m.**

A meeting of the Development, Endowment and Investments Committee of the University of South Alabama Board of Trustees was duly convened by Mr. Jim Yance, Chair, on Thursday, June 2, 2016, at 2:15 p.m. in the Board Room of the Frederick P. Whiddon Administration Building.

Members Present: Ron Jenkins, Ken Simon, Steve Stokes, Mike Windom and Jim Yance.

Member Absent: Tom Corcoran.

Administration and Others: Terry Albano, Joe Busta, Lynne Chronister, Ken Davis, Sheila Davis, Joel Erdmann, Monica Ezell, Mike Finan, Happy Fulford, Mike Haskins, David Johnson, Mike Mitchell, Norman Pitman, John Smith, Sam Strada, Jean Tucker, Tony Waldrop and Scott Weldon.

Press: Alyssa Newton (*Vanguard* and WPMI).

The meeting came to order and the attendance roll was called. Mr. Yance called for consideration of the minutes of the meeting held on March 3, 2016. On motion by Judge Simon, seconded by Captain Jenkins, the minutes were approved unanimously.

Mr. Yance called for presentation of **ITEM 14**, a report on endowment and investment performance. Directing attention to the Board materials, Mr. Albano advised that, for the six months ended March 31, 2016, the University endowment had a return of 2.27 percent versus that of the relative index of 3.76 percent, an underperformance of 1.49 percent. He reported an endowment value of just above \$140 million. He discussed the performance of the individual managers, noting the activity was similar to the previous report given in March. He talked about asset allocation, noting consistency with policy parameters. As to the annualized performance since inception in April 2000, he stated the endowment performed at 4.72 percent versus the relative index of 3.88 percent, or an outperformance of .84 percent.

Mr. Yance addressed **ITEM 15**, a resolution authorizing changes to USA's Endowment Funds Investment Policies and Guidelines to include private equity (for copies of resolutions, policies and other authorized documents, refer to the minutes of the Board of Trustees meeting held on

June 3, 2016). He said the Committee had been very active since the meetings in March, at which time it was determined the University would end its relationship with hedge fund manager Private Advisors. He described that as a good decision and said a number of meetings had taken place in the interim with potential candidates to serve the University as private equity and hedge fund managers. He thanked Messrs. Albano, Pitman, Davis and Weldon, as well as fellow Trustee Judge Simon, for availing their time and efforts to the due diligence process and called for remarks from Mr. Albano. Mr. Albano stated, following an extensive analysis, it was the consensus among University delegates to retain, as private equity managers Commonfund, Gerber/Taylor and J.P. Morgan, and as hedge fund managers, Weatherlow and Forester. Discussion took place on the merits of adding private equity to the University's portfolio. Mr. Pitman stated studies show, over time, private equity investing is a good way to increase capital, noting returns can be achieved with less risk. Mr. Yance gave assurance of a modest first investment. Judge Simon expressed confidence in the proposal as a result of his involvement in the due diligence process. Dr. Stokes asked how much of an investment was being considered. Noting that the National Association of Colleges and Universities reports an average investment of between 10 and 15 percent, Mr. Albano responded that a five-percent investment in private equity is recommended. He projected that, as confidence strengthens, the University could opt to increase exposure. Mr. Peek asked if the recommendation is in line with other schools that have similar endowments. Mr. Yance and Judge Simon agreed that USA lags behind other institutions with comparable situations. Mr. Albano stated the recommended change would increase opportunities, and Chairman Furr concurred. Mr. Yance called for a vote. On motion by Judge Simon, seconded by Dr. Stokes, the Committee voted unanimously to recommend approval by the Board of Trustees.

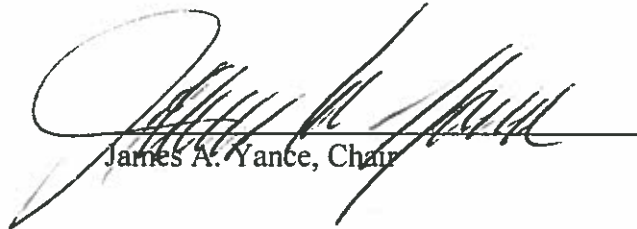

As to ITEM 16, a report on the activities of the Division of Development and Alumni Relations, Mr. Yance called for remarks by Dr. Stokes, Upward & Onward Campaign Co-Chair. Dr. Stokes reminded the Committee that, at the time of the public launch in October 2015, \$73 million of the \$150 million goal was reported raised. He added that, as of May 31, an additional \$17 million has been added for a total campaign amount thus far of \$90 million. He advised of 21,595 registered donors and 28,011 recorded gifts. He said the development staff were diligently involved with attaining the gift goals for the remainder of the fiscal year and remarked that the last of 14 regional campaign receptions was hosted by Barbara and John Peek in Andalusia in April. He stated the next meeting of the campaign leadership team is scheduled on September 30 in conjunction with the October 1 home football game against San Diego State. Mr. Yance expressed appreciation for the leadership of the Stokeses as Campaign Co-Chairs. Dr. Stokes credited the volunteers and the Development staff for the positive momentum. Dr. Busta conveyed enthusiasm for the progress achieved. He discussed the importance of the regional socials in building relationships. He recognized and thanked Ms. Sheila Davis, Upward & Onward Campaign Coordinator.

Dr. Busta gave an update on the University of South Alabama Board of Trustees Scholarship, reminding the Committee that Chairman Furr led the initiative to establish the fund in 2013. He said the initial goal to raise \$125,000 was met, making possible the award of a full scholarship to the top academically ranked student in each entering freshman class beginning with the 2014-2015 academic year. He said \$87,250 of the commitments had been collected thus far, all of which are matched through the Mitchell-Moulton Scholarship Initiative for a total \$250,000 scholarship. He thanked Chairman Furr for taking the lead on this endeavor and said it will be interesting to see what the Board of Trustees Scholarship alumni do professionally and personally in the future. Chairman Furr agreed and thanked the members of the Board for their contributions to the program.

Mr. Yance recognized the success of the baseball team in advancing to the NCAA regional finals. He advised that Dr. Erdmann had been called to serve as chairman of the National Collegiate Athletic Association's (NCAA) selection committee for teams competing in the tournament and was interviewed on ESPN. Dr. Erdmann conveyed appreciation for the opportunity. President Waldrop asked Dr. Erdmann to share information on baseball standout Mr. Kevin Hill. Dr. Erdmann stated that, among his many accolades, Mr. Hill, a native of Oklahoma and a recent graduate, has twice earned distinction as an *All-American* athlete, as well as being the first athlete in Sun Belt Conference history to be named *Pitcher of the Year* two years in a row. He added the women's softball team ended the season in second place and played well in the conference championship. Messrs. Windom and Peek commented on the outstanding academic performance of USA athletes. Dr. Erdmann acknowledged that USA's APR, or academic progress rate, as is ranked by the NCAA among Division I schools, showed steady improvement from year to year, and was the top APR in the league this year.

There being no further business, the meeting was adjourned at 2:47 p.m.

**COMMITTEE OF THE WHOLE
(ON BEHALF OF THE BUDGET AND FINANCE COMMITTEE)**

**June 2, 2016
2:58 p.m.**

A meeting of the Budget and Finance Committee of the University of South Alabama Board of Trustees was duly convened by Mr. Jimmy Shumock on behalf of Mr. Tom Corcoran, Chair, on Thursday, June 2, 2016, at 2:55 p.m. in the Board Room of the Frederick P. Whiddon Administration Building.

Members Present: Jimmy Shumock, Steve Stokes and Jim Yance.

Members Absent: Tom Corcoran, Arlene Mitchell and Sandy Stimpson.

Other Trustees: Chandra Brown Stewart, Steve Furr, Ron Jenkins, Bettye Maye, Bryant Mixon, John Peek, Ken Simon and Mike Windom.

Administration and Others: Joe Busta, Lynne Chronister, Foster Clark (Balch & Bingham), Joel Erdmann, Monica Ezell, Mike Finan, Happy Fulford, Mike Haskins, David Johnson, Mike Mitchell, John Smith, Polly Stokley, Sam Strada, Becky Tate, Jean Tucker, Tony Waldrop and Scott Weldon.

Press: Alyssa Newton (*Vanguard* and WPMI).

The meeting came to order and the attendance roll was called. Without a quorum of the Committee members present, Chairman Furr suggested that the Committee of the Whole could make recommendations on behalf of the Budget and Finance Committee. Mr. Shumock called for consideration of the minutes of the meeting held on March 3, 2016. On motion by Judge Simon, seconded by Mr. Windom, the minutes were approved unanimously. Mr. Shumock called for adoption of the revised agenda. On motion by Ms. Maye, seconded by Mr. Yance, the revised agenda was adopted unanimously.

Mr. Shumock asked Mr. Weldon to discuss ITEM 17, the quarterly financial statements for the six months ended March 31, 2016. Mr. Weldon stated the financial results were as expected. He called attention to a \$3 million increase in net position, a decline from that of \$16 million reported six months into fiscal year 2014-2015. He noted a decrease in investment value accounted for this difference. He referenced a significant change in total net position, down from \$516 million in 2015 to \$198 million, stating the reason for the difference is a new accounting standard implemented in September 2015, which requires the University to record its portion of the unfunded pension liability for the Teachers' Retirement System of Alabama. He

stressed that this reflection in the statements is simply an accounting entry and has no impact on retirement system contributions by the University or its employees. He added that all institutions in Alabama, as well as in the nation, are subject to this requirement.

Mr. Shumock called on Ms. Stokley for an overview on the activities of the Process Improvement Committee (PIC), **ITEM 18**. Ms. Stokley, PIC Chair, stated the University community can now track PIC projects and report process difficulties via the USA Web site under the President's Web page. She shared examples of how improvement suggestions had led to meaningful process advances, such as deployment of electronic travel documentation and reconciliation, as well as electronic timesheet reporting. She discussed the University's new procurement card program provided through PNC Bank and graphics demonstrating *P-card* design were viewed. She said in excess of 125 improvement items have been logged thus far.

Mr. Shumock called on Ms. Chronister for presentation of **ITEM 19**, a resolution to elect Messrs. Joseph Adamo and Don Langham as directors of the USA Research and Technology Corporation (RTC) for four-year terms beginning September 2016 (for copies of resolutions, policies and other authorized documents, refer to the minutes of the Board of Trustees meeting held on June 3, 2016). On motion by Ms. Maye, seconded by Ms. Brown Stewart, the Committee voted unanimously to recommend approval by the Board of Trustees.

Mr. Shumock asked Mr. Weldon to address **ITEM 19.A**, a resolution authorizing the University President to finalize a land lease agreement with the RTC for the lease of a 1.2 acre parcel of property on the corner of Lafayette Street and Springhill Avenue that is adjacent to the USA Springhill Avenue campus. Mr. Weldon advised the land would be leased for \$1 per year and the RTC will construct an 8,000-square-foot building that would be leased to Biomedical Applications of Alabama, a provider of outpatient dialysis services. He reminded the Committee of an identical transaction approved a few years prior for a similar facility on Stanton Road at the USA Medical Center campus, adding this is the third dialysis unit with which the University has a relationship. Addressing a question from Mr. Peek about optimum use of campus space, Mr. Weldon stated the land is an old parking lot that is largely unused. He advised that additional parking had since been constructed adjacent to USA's Family Medicine Center and would be made possible through the purchase of property from the Mobile Area Water and Sewer System on Catherine and Center streets, as well as through the demolition of the old nursing dormitories. Mr. Peek asked about the size of the facility. Ms. Tate said the facility will be a typical one-story dialysis center and advised of the Department of Medicine's three long-term directorship contracts with dialysis centers to provide nephrology services for an income of \$100,000 per year. Mr. Yance asked about patient occupancy. Ms. Tate said the facility would accommodate up to 12 beds and would be the first in the community to serve primarily pediatric patients. She pointed out the advantage of its proximity to USA Children's

& Women's Hospital. On motion by Mr. Yance, seconded by Ms. Maye, the Committee voted unanimously to recommend approval by the Board of Trustees.

Mr. Shumock called on Ms. Tucker for presentation of **Item 20**, a resolution reaffirming the authority of the University President to enter into contracts and sign legal documents on behalf of the University and the Board of Trustees, as well as, delegate signature authority to other University officials for contracts that are preapproved by the University Attorneys. Further, the resolution authorizes, as contracting officers having the same power and authority, the positions of Executive Vice President (Dr. John Smith); Vice President for Finance and Administration (Mr. Scott Weldon); Vice President for Medical Affairs (Dr. John Marymont); Vice President for Health Systems (Mr. Stan Hammack); University Treasurer (Mr. Ken Davis); Chief Operating Officer, Health Systems (Mr. Owen Bailey); Chief Financial Officer, Health Systems (Ms. Traci Jones); and Assistant Vice President for Hospital Financial Affairs (Mr. Bill Bush). Ms. Tucker noted changes in positions within the Health System and identified the positions having contract authority, as well as the names of individuals serving in these roles. She assured that all contracts are reviewed by University attorneys prior to signature. On motion by Ms. Maye, seconded by Dr. Stokes, the Committee voted unanimously to recommend approval by the Board of Trustees.

Mr. Shumock called on Mr. Weldon to address **ITEM 21**, a resolution authorizing the President and Vice President for Finance and Administration to execute a loan agreement and a promissory note as set forth; authorizing the Secretary of the Board to affix the University seal to these documents; and authorizing these individuals to execute other agreements and documents as necessary or desirable that pertain to the loan agreement and promissory note, as well as to additional related transactions. Mr. Weldon reminded Trustees of Board approval in March to issue a request for proposals for a \$30-million line of credit to be used for capital needs for the Health System. He stated, having quoted an extremely favorable rate of approximately 1.06 percent, Compass Bank was the successful lowest bidder. Judge Simon asked about the maturation of the line of credit. Mr. Weldon stated that this is a two-year commitment and added, by the end of the term, it would likely be converted into some form of long-term financing. He said the advantage of structuring the transaction in this way is the University will not be locked into a \$30-million bond or note. He said if the capital need is less, the University would obtain permanent financing for only the amount actually needed. On motion by Judge Simon, seconded by Mr. Yance, the Committee voted unanimously to recommend approval by the Board of Trustees.

Mr. Shumock asked Mr. Weldon to discuss **ITEM 22**, a resolution authorizing the President and Vice President for Finance and Administration to execute a refunding of the University's Series 2008 bonds, in an outstanding principal amount of approximately \$102 million, prior to the next meeting of the Board. Noting a bond call date of December 2018, Mr. Weldon said the

Administration endeavors to monitor market interest rates for refinancing opportunities as bond call dates approach. He stated it has become advantageous in recent weeks for the University to consider an advanced refinancing of the bonds, adding that the University stands to realize a savings of about 10 percent, or \$10 million. He stated the resolution requires the approval of the Chair *pro tempore*, as well as the Chair of the Budget and Finance Committee, and establishes that certain parameters must be in place, such as a net savings of at least three percent. He estimated it would take 60 days to complete the underwriting and trust documentation process, projecting a closing date around August 1. He introduced the University's bond attorney Mr. Foster Clark of the law firm of Balch and Bingham in Birmingham, who wrote the resolution. He advised of their meeting with representatives from the national financial advisory company PFM, Inc., who recommended that the University pursue the refinancing as soon as possible before the savings diminish. He and Mr. Clark agreed that a three-percent savings threshold is standard for such refinancing. Mr. Peek asked if there was reasonable progress on paying off the existing bond. Mr. Weldon stated progress was slow on the original \$112-million bond. Judge Simon inquired about revenue sources for paying off the bond, and Mr. Weldon stated that the bonds are secured by general tuition and a \$10-million pledge of hospital revenues. Mr. Weldon talked about options for amortization reduction and said PFM will help determine the best way to proceed. Mr. Clark explained the concept of "stacking" the University's existing 11 bonds to leverage payoff advantages. Mr. Peek asked for an analysis of all current bond indebtedness. Mr. Weldon offered to share material. Judge Simon asserted confidence in Mr. Clark, calling him one of the top bond lawyers in the United States. On motion by Ms. Maye, seconded by Mr. Yance, the Committee voted unanimously to recommend approval by the Board of Trustees.

There being no further business, the meeting was adjourned at 3:24 p.m.
